Letter of Invitation RoboCup 2009 Graz

Dear **Mr Danyal Khashabi**,

We are glad to inform you that your team **Nemesis** in the **Soccer Simulation League** is qualified for the Thirteenth RoboCup World Championship and Conference (RoboCup 2009 Graz). Based on this, we honestly invite you to participate in this event, which will be held from June 29 to July 5 2009 in Graz, Austria. For more information regarding RoboCup 2009 we refer you to <http://www.robocup2009.org>.

RoboCup (<http://www.robocup.org/>) is an international research and education initiative, an attempt to foster research and education in AI, robotics, and related domains by providing standard problems where a wide range of technologies can be evaluated. RoboCup World Championship and Conference is an annual and the top event of RoboCup since 1997. In 2009 the prestigious event will be hosted in Austria for the first.

We are looking forward to seeing you in Graz this summer.

Sincerely,

Prof. Dr. Franz Wotawa
(Co-Chair RoboCup 2009)

Dr. Gerald Steinbauer
(Co-Chair RoboCup 2009)
